☰ SUMMARY

More than fifteen years of diverse experience in various forms of digital and print media, design, and development.

🎓 EDUCATION

Attended St. Catharines Collegiate and Vocational Institute.

📄 EXPERIENCE

DIGICO

LEAD WEB DESIGNER | 09/2015 TO PRESENT

My job at Digico is to manage various accounts from start to finish, including creating mock-ups, branding, marketing, frontend web development, managing timelines, deadlines, and communication, and management of assets, including developers and programmers.

HERMAN'S BUILDING CENTRES

MARKETING CONSULTANT | 04/2013 TO 09/2015

My duties at Herman's included managing more than 20 websites full time, social media, print media and design, as well as creative concepts for all current and future marketing endeavours. In addition, I was responsible for assisting contractors with marketing and design.

KAIZEN MARKETING & CREATIVE DESIGN HOUSE

CREATIVE GENIUS | 10/09 TO 05/12

At Kaizen, I handled design from concept to final proof for web, print, and various other media, as well as some administrative duties, and client relations.

SILVERFLUXDESIGN.COM

SELF EMPLOYED | 1996 TO PRESENT

Responsibilities include managing a small, freelance media firm; customer service, scheduling, communicating with clients, problem-solving, managerial responsibilities, and myriad other duties including sole responsibility for design, programming, and development.

⚙️ ASSETS

SOFTWARE: Photoshop, InDesign, Illustrator, Acrobat, Vegas Pro, Edius 7, Open Office, Microsoft Office, and just about everything else
